

THE CRACO SOCIETY

2010 MEMBERSHIP PROGRAM

Join Us! ... and bring your family!

Since 2007 The Craco Society benefited from the support by members and friends while working to preserve the culture, traditions, and history of the ancient town of Craco Vecchio. Now we are looking for you to join us too.

Recognized by the World Monuments Fund as a Watch List Site, the Historic Center of Craco (Centro Storico di Craco) is now in a position to begin a preservation project. Please consider the value of joining the Society as we prepare to assist Craco. If you or your ancestors originate from the village please reflect on the impact of exposing your family to the unique heritage of this town and its people. With over 335 members in Canada, Italy, and the USA we are a robust organization seeking to reach others who have an interest in our mission. We communicate with members regularly through a Newsletter and we are planning a trip to Craco in June, a Summer Reunion and a celebration during October for the Feast of San Vincenzo, the patron saint of Craco. Think of the experiences and discovery these events represent. Is there a better way for your family to understand where they came from and how they got here?

The membership program is explained below:

Membership Level	Amount
Individual Membership	\$25
Household Membership <i>To enroll members of all individuals in a family living at the same address.</i>	\$50
Family Membership <i>To enroll members of a family consisting of parents, children and grandchildren regardless of residence.</i>	\$100

Please take a moment to fill out the enclosed Membership Form and return it. An acknowledgement will be sent along with a membership certificate and a copy of the "Craco" CD produced by LeMacine, an Italian tourism organization. This unique CD captures photos of village locations and provides historical information about them. Accompanying this material will be the Membership Directory and a listing of other resources available to you through the Society.

If you have Craco in your blood you should have The Craco Society in your life! We look forward to your support and involvement in 2010.
