

# THE CRACO SOCIETY

## 2012 MEMBERSHIP

### Join Us! ... and bring your family!

Since 2007 The Craco Society benefited from the support by members and friends while working to preserve the culture, traditions, and history of the ancient town of Craco Vecchio. Now we are looking for you to join us too.

Cited by the World Monuments Fund as a Watch List Site, the Historic Center of Craco (Centro Storico di Craco) now has global recognition. If you or your ancestors come from this millennium old village please reflect on the impact of exposing your family to the unique heritage of this town and its people. With members in Canada, Italy, and the USA we are a robust organization seeking to reach others who have an interest in our mission. We are planning our 6th Annual Reunion and the celebration of the 111th anniversary of the statue of San Vincenzo, Martire donated by Crachesi immigrants at St. Joseph's Church in New York City. A trip to explore the Basilicata Region of Italy is also being arranged.

Think of the experiences and discovery these events represent. Is there a better way for your family to understand where they came from and how they got here? The membership program is explained below:

Membership Level	Amount
<b>Individual Membership</b>	<b>\$25</b>
<b>Household Membership</b> <i>To enroll members of all individuals in a family living at the same address.</i>	<b>\$50</b>
<b>Family Membership</b> <i>To enroll members of a family consisting of parents, children and grandchildren regardless of residence.</i>	<b>\$100</b>

Please take a moment to fill out the enclosed Membership Form and return it. An acknowledgement will be sent along with a membership certificate and a copy of the "Craco" CD produced by LeMacine, an Italian tourism organization. This unique CD captures photos of village locations and provides historical information about them. Accompanying this material will be the Membership Directory and a listing of other resources available to you through the Society.

If you have Craco in your blood you should have The Craco Society in your life! We look forward to your support and involvement in 2012.

#### MEMBERSHIP BENEFITS

- Assistance with genealogy research
